

November 29, 2018

Dear precious friends, fellow Christ-followers & Kingdom Builders!

"Forget the former things; do not dwell on the past. See I am doing a NEW thing... I am making a way in the desert and streams in the wasteland." (Isa. 43:18-19)

I don't consider myself to be some great pioneer who lives for paving new trails. I would never have imagined just 5 years ago that my life's calling would include encouraging and equipping kingdom leaders in businesses, churches, and devoted followers of Christ in their workplaces to courageously *make their work and ministry one* to transform lives and communities for Christ.

Yet it is our Almighty Creator and Savior who crafts our assignments and equips us to fulfill them. Further our fruitfulness and sense of fulfillment, is tethered to our faithfulness to follow in obedience. In the last year in particular, God kept pulling me to embrace the *NEW THINGS* He had in mind for KWM.

Organizing three regional events called **Common Pursuit** for leaders in Northern Colorado, conducting **NEW** workshops in companies and churches, and starting a **NEW** mentoring & advisory group called **Business His Way** were among some of these **NEW THINGS**, of which would have been even close to being possible without many **OLD & NEW** volunteers, prayer supporters, and faithful contributors!

My goal and prayer is that this year-end communication will encourage you:

- To embrace all the **NEW** (and old) assignments God has for you in 2018.
- To praise and thank God with me, KWM's board, and faithful supporters for what He has done!
- To prayerfully consider making a generous year end gift, to become a monthly contributor of KWM, and/or increase your financial partnership with KWM.

Several Testimonies of Lives Impacted Through KWM in 2017

- *"What you shared was what our team needed to hear at this moment...you hit it head on... love always trusts." (1 Cor. 13)*
~ Fred Pitzl, Executive Director, Good Samaritan Society, CO
- *"TGIM! (Thank God It's Monday!) is something our church family is still saying every Monday since the SWITCH workshop you did several months ago... Thank you for being a vessel in God's hands."*
~ Duane & Christian Smith, Pastor/Wife of First Baptist, Waukon, IA
- *"As a Realtor, my business impacts every part of my life. I'd like to say I made time for God on a daily basis before KLC, but my priorities were business, family, and God, when I had time... KLC gave me steps and goals to integrate God into my business...Now my business and faith are in alignment. Everyone knows Jesus is my Savior and I feel free to share my experiences with them."*
~ Therese Bickford, Realtor and Kingdom Leadership Council Group Member
- *"By God's grace I am now a born again Christian...I seek to honor my Father and build my business by His word. You have greatly helped me in making a decision about His business for the future."*
~ Odette, T-Shirt Designs Business Owner, connecting online through KWM website.
- *"I had the wrong perspective about God...so I walked away from Him for 20 years....KWM has played a key role in bringing me back."*
~ Gene Bollig, Careers with a Purpose Coach

These are the kinds of stories that so thrill my heart and keep me going through challenging times! They also depict the kind of deep and broad transformation we long for, pray for, and work hard to achieve.

There are many ministry venues which enable such individuals to take the steps necessary for God to bring about such a result. The following is for those of you who are more visual and/or who like seeing statistics.

Looking to the Future

In addition to continuing and building upon the above, here are few NEW THINGS we're really excited about for 2018:

- Conducting a National Training Conference for 400 Pastors/Church Leaders in Liberia, West Africa. (This was originally planned for November and has been rescheduled for week of January 29th)
- Leadership Prayer/Outreach Breakfast in Northern Colorado on **February 17th with Tim Tebow.** This is part of an annual regional effort that has been going on for years. I am so thrilled that KWM has been invited to partner with CBMC (Christian Businessmen's Connect) in planning/hosting this event. We are anticipating MANY who will come to Christ as the gospel is shared clearly, and I/KWM will be working with a team on follow up efforts.
- Working to expand through developing other leaders and ministry partnerships, like WorkLife.Org.

I am truly amazed and extremely grateful for what God has done, in spite of our limited budget and my limited ability and time as the sole staff member of KWM. I get excited when I start dreaming about what the ministry could look like with more staff and greater resources to fuel the work that God is doing.

I know many of you receive countless year-end giving requests, and give to your home/local church and other ministries. My wife, Ilona and I do too, and wouldn't want you to compromise giving to your local church first, or other ministries God leads you to be a part of.

However, I believe that KWM is a watershed ministry that God is using in unique ways to transform the lives of kingdom leaders who in turn:

- Provide a living for countless numbers of individuals and families, and offer them opportunities to find a greater sense of fulfillment, meaning, and mission in and through their work.

* see enclosed page with pictures of some of these

- Reach and disciple many for Christ that Pastors / churches may never reach.
- Serve orphans, single parents, the depressed/suicidal, malnourished and impoverished in our culture through their leadership roles.
- Start & build new churches, non-profit ministries, and companies that will reach and transform even more lives and communities for the sake of God's fame and the gospel!

Would you take a moment to pause right now and prayerfully consider how God might be nudging you to be a part of supporting the transformation He is bringing to countless lives and work/church ministry cultures through Kingdom Way Ministries?

Would you **prayerfully consider...**

- A generous 1-Time Year-End Gift?
- Linking arms with us to become a KWM Monthly Support Partner?*
- Increasing your monthly support as God leads and you are able?*

☒ KWM is a 501(c)(3) organization. All gifts given to KWM are tax deductible to the extent allowed by law. Gifts desired to be used for these purposes for the 2017 tax year must be post-marked or received by December 31, 2017.

It is our prayer that God will do what seems impossible as He meets our **\$20,000 year-end goal** through you to help KWM continue impacting lives for eternity in ways described above, including being able to renew our radio broadcast contract in Liberia for another year. I believe that if even 35-40% of you receiving this letter will give in accordance to God's clear leading (1 Cor. 8-9) that this goal can easily be met.

I fully realize and understand there are many of you who just can't give financially, or are already giving all you can. In that case, will you please commit to regularly (even daily) to pray for me, for our board, volunteers and the many lives associated with KWM to be infused with the power of God's supernatural wisdom as we seek to obey Him in all He leads? ***I can't describe how much this means and is needed. Thank you!***

Should God stir your heart to partner with us, here are some giving options:
