## What the heart of a leader craves... Purpose · Productivity · Fulfillment · JOY

In the 5-Year History of Kingdom Way's Common Pursuit Events for the Rocky Mountain Region, this will most likely be one of the most practical and transforming of all.

Christian leaders in business, ministry, & other community organizations know there is a greater kingdom purpose, productivity, fulfillment, and JOY available to them in Christ. But for many the clutch is slipping between THEORY & REALITY and are stuck instead with a smoldering discontent.

In this engaging event you will discover:

1

A model for experiencing more JOY in your work and life at home.

2

A model for how you can break free from the entanglements that are holding you back from greater purpose, productivity, fulfillment & fruitfulness.

3

Pathways forward into greater CLARITY & COURAGE and tools to develop others through your leadership.
